

Riverlea 2019 Tree Planting Program

Dear Riverlea Neighbors,

With our infrastructure project wrapped up, it's time to think about further beautifying our community. This fall the Village is sponsoring a tree planting program in which it will subsidize 50% of the cost of up to two (2) designated shade trees per Village property including installation.

The Village is working with *Peabody Landscape Group*. If you are interested in this offer, please review, print, fill out and return the second page of this letter.

The requirements for participation are as follows:

- Order and payment is due by **Friday, August 30, 2019**. Orders should be returned to the Village Mailbox in the Circle Park. See the order form for a list of approved trees and their cost.
- Trees must be positioned on the street-facing side(s) of the home in order to qualify for the Village subsidy. This will allow you and your neighbors to enjoy the trees.
- The property owner will be responsible for calling the OUPS digger's hotline (800-362-2764) in advance of planting to locate and mark any underground utilities.
- The property owner will be responsible for setting stakes to mark the preferred placement of trees in the yard (the Village will supply the stakes).
 - It is recommended that trees be placed behind, but near, the right-of-way line of the property to avoid tree damage or removal during future infrastructure servicing.
 - It is also recommended that trees be planted at least five (5) feet from water lines and ten (10) feet from sanitary and storm sewer lines.
- Additional trees (more than two) can be ordered at full cost. Please note that the "full cost" price is a negotiated bulk rate and so is lower than typical retail pricing.

Trees will be delivered and planted in late October or early November 2019, and will come with a one-year warranty through Peabody. The prices include mulch and stakes.

We hope that you will consider taking advantage of this program. Please contact Infrastructure Committee Member Dan Schlichting at 614-787-3943 with any questions.

Sincerely,

Riverlea Village Council and Infrastructure Committee

Riverlea 2019 Tree Planting Program

Tree selection (size and type are subject to availability at time of order)

Tree	Mature height	Mature spread	Fruit	Growth rate	Comments	Caliper	Delivered & installed price	
							Full price	Subsidized price
Skyline Honeylocust	35-45'	30-40'	seedpods	fast	fernlike leaves, yellow in fall	2"	\$496.00	\$248.00
						3"	\$652.67	\$326.33
Autumn Blaze Maple	40-60'	30-40'	seedpods	fast	yellow or red in fall	2.5"	\$571.00	\$285.50
Sugar Maple	80'	40'	seedpods	slow	yellow or red in fall	2"	\$517.67	\$258.83
						3"	\$670.67	\$335.33
White Oak	70'	70'	acorns	fast	red leaf in fall	2"	\$499.67	\$249.83
						3"	\$642.67	\$321.33
Red Oak	60'	70'	acorns	fast	yellow or red in fall	2"	\$499.67	\$249.83
						3"	\$642.67	\$321.33
London Planetree	75-100'	80'	spheres	medium	sycamore family; yellow in fall, flaking mottled bark	2"	\$499.67	\$249.83
						3"	\$617.67	\$308.83

2" caliper trees are generally 8-10' in height; 3" caliper trees are generally 12-14' in height
